—John Adams

Let's Vote

... after Open and Honest Dialogue

Education and information are vital for a fair and honest election process.

How do you have that discussion with 21,000 flight attendants?

It takes time.

Two Cultures Become One

To understand each other and the needs of both groups, talking and – most importantly – listening are key.

Making a decision that takes into account over 80 years of rich Delta history without contracts, and 60 years of rich Northwest history with contracts can't happen over night. These are cultures with proud histories that should not be disrespected with a quick rush to vote.

It is a disservice to all of us flight attendants if we are not allowed to have discussion.

We are pleased that the Senate has confirmed the appointment of Linda Puchala, the former AFA president, to the National Mediation Board, replacing Read Van de Water, the former Northwest Airlines lobbyist.

When we are ready to vote, we are confident that the NMB will be fairer now, and the process less tilted against us.

Let's reach out to our colleagues and get ready to vote!

DeltaAFA Representation

Opportunity. Unity. Respect.
