

**A VOTE FOR REPRESENTATION**

# It's Our Time!

**Democracy and the will of a majority have won the day as an historic rule change by the National Mediation Board has opened the door to more democratic union elections in the airline industry.**

The new NMB rule will change its voting procedures so that the majority of votes cast in an election will decide whether transportation employees will have representation, the same way that every other election in this country is decided.

Let's take advantage of all the synergies of the Delta-Northwest merger and vote for representation that will make this airline the greatest in the world not only for our customers, but also for its employees.

Talk with your colleagues. Tell them why the new rule is more democratic, and why we now have a great opportunity to raise standards for our profession and improve our lives at Delta Air Lines.

**VOTE DeltaAFA Representation**  
Opportunity. Unity. Respect.
