Ms. Janette Rook  
President  
Association of Flight Attendants CWA  
8011-34<sup>th</sup> Avenue South, Ste 220  
Bloomington MN 55425

Dear President Rook:

On behalf of the Italian American Labor Council of Cook County Illinois, I would like to applaud and support your efforts to bring the Delta airline flight attendants into the family of organized labor. Your past efforts in negotiating and dealing with everyday problems on behalf of your membership have shown great knowledge and leadership which should be an inspiration to the attendants you are trying to organize. The Directors of the IALC understand the complicated issues you face and are second to none in knowing the exhausting hours put in to a campaign such as this. So with that in mind, if there is anything I can do to help, please be assured that the IALC will be there.

In Solidarity,

Michael Fedanzo
